Dear Community Supporter,

Spring is nearing and the Board of Directors for the Feast of the Flowering Moon are working hard to organize another great festival for 2020. This year marks the 37th anniversary and we're excited to bring more community participation to the event. Last year, the festival introduced a "Pie in the Face" Contest to raise money for non-profit organizations in the community, and we're very proud to share that we helped raise nearly \$5,200 for five charities serving Ross County!

Staying true to the purpose behind the Feast of the Flowering Moon, the Board will once again have a wide variety of Native American dancers performing and educating the community. We are pursuing additional opportunities that may result in guest speakers to talk about Native American culture and bringing hands-on activities for children to learn about archaeology of the region.

As a 501(c)(3) non-profit organization, the Feast of the Flowering Moon is extremely grateful to its annual sponsors and supporters. It's through your support that we can grow the festival and showcase the rich Native American heritage here in Chillicothe. We have streamlined our sponsorship program for 2020 which reflects the opportunities to showcase your organization to the thousands of patrons who attend the festival. Benefits this year include being featured on our website, social media, promotional materials, and additionally, with banners and even booth space.

Please take a moment to complete the enclosed sponsorship form to begin receiving your benefits. We hope that you will join us May 22nd – May 24th for this year's Feast of the Flowering Moon. You can find more information about the festival and activities taking place by visiting us online at www.FeastoftheFloweringMoon.org or by following us on Facebook.

Sincerely,

Feast of the Flowering Moon
