SPECIAL 2026 UPDATE

Due to the construction in Yoctangee Park, the Feast of the Flowering Moon is working closely with the City of Chillicothe to ensure minimal impact on the festival. However, there may be some layout changes to the festival due to the construction. The committee will relay any impact to returning vendors closer to the event. Although not foreseen, if construction happened to impact a large part of the festival and alternative options are not available, and the festival is unable to take place, vendors will be contacted.

All vendors are expected to comply with the festival's rules. Failure to follow the rules can result in ejection from the event. No refunds will be issued for vendors who cannot pass inspections, or those who fail to meet these requirements.
